### Notes:

These figures are not final in any way, and they are subject to continuous and periodic scrutiny by center's activists, the database administrators, and the field documentation team. Figures June differ between reports, and the most recent report is always considered to be the more accurate.

VDC team pays tribute to all the collaborative activists who extended a helping hand to our center as well as to the families of the victims. We also thank the Field Observation Team whose members face daily dangers executing their duties in Syria in order to document the human rights violations committed there, complete the data, and claim the rights of the distressed families from the concerned bodies and organizations.
